**What do you hope to gain from this experience?**

**What are your goals for your future beyond ArtHatch’s teen program?**

Teens are expected to spend a minimum of 2 hours per month using the space. Teens who are not active for 3 months (unless prior permission has been given while in college) teens will be removed from the program to give space to others.

I understand that my son or daughter \_\_\_\_\_ will be participating in ArtHatch’s teen program and volunteering with ArtHatch. This internship is not for pay, but when allowed can be used for school credit. I also understand that this is an art gallery that shows cutting edge artwork including possibly nudes. I also understand that while in the studio (other than during workshops) my child will not be under constant supervision by an adult. I understand that ArtHatch/Distinction are not responsible for my child and I am agreeing that my child is responsible enough to be safe and self directed in a positive way while using the studio. I give consent for my child to be used in promotional photos for ArtHatch in print and/or online (this helps ArtHatch to secure funding to allow us to offer this free program.)
